

We were treated to an excellent final day of the Mijas Masters with some class bowling in the semis and the finals of both Pairs and Triple. With 22 pairs and 18 triples teams entered from six of the seven Malaga Federation clubs the event was completed ahead of the playing schedule.

Semi Finals

Ron and Sue Jones (Lauro) beat Fred Stevenson and Derek Carr (Miraflores) 20-9 in a game in which the scoreline did not reflect how competitive this game actually was, but the Jones pairing fully deserved their place in the final.

John and Dine Warn (Santa Maria) beat John Wilson and Angela Holt 17-11 with the Warns winning the last 5 ends to put the game beyond reach for the home team.

John and Dine Warn beat Ron and Sue Jones 16-13 in what was the perfect conclusion with excellent bowling from all four players through out the game in which their was never more than four shots in the game all the way through and with the game all square in the 6th, 8th and 14th end it was decided with the Warns taking three of the last four ends and Rons last bowl just failed to move the jack to his back bowls to force John Warn to play his final bowl.

Semi Finals

Juan Abeal, Kevin Bravant and Manolo Suarez beat Tony Sandelance, Bill Neal and Joan Corbett 23-8 within the distance with an excellent performance in the all Mijas clash.

Ian Patterson, John Fenton and Ian Gray (Mijas) beat Alan Gateshill, Tom McLean and Clive Price 20-7 with the home club holding their opposition on zero until the tenth end and despite winning five out of the last seven ends played the Saydo team were held to singles and doubles by some good defensive bowling to see out the game.

The all Mijas final seen the Patterson skipped trio off to a flyer with Gray and Fenton building the head and were 9-0 after four ends before the Abeal triple won the next five ends to take a two shot lead. A three, four and two in quick succession took Patterson to 18 -12 and with another four shots in the 16th end was enough to see them over the line. A great final and well done to all the players involved who contributed to what was a keenly contested final.

The presentation of prizes also recognised the efforts of Jean Bamber and Joan Sandelance who were responsible for the catering and vast majority of the bar work.

A special thanks to our sponsors Ibox Insurance and to all the Mijas members who supported the event their with covering bar duties, green preparation, event organising and providing the Competent person for Umpire duties.
