
Oscar Night Success

The Oscar Dinner event at the Mijas Lawn Bowls Club on Monday the 21st October was a great success.

Manolos wife was obviously surprised to see “Elvis” providing a heart warming performance of some of his best known hits.

Thanks to Tom Muckley for entertaining everyone with his life like rendition and congratulations to Maria for putting up with old shaky legs for 20 years and winning the Dinner Raffle at Valparaiso.

A special thanks also goes to Bob Baker for taking the photos of the guests as they came across the red carpet and the many of the action pictures from the event.

Clive and Chris both celebrated their birthdays.

The event organisers/helpers led by Pat Baker in her final event as Social Secretary made a wonderful job of decorating the Club House and serving a three course meal from our small kitchen. A big thanks to the 3 Amigos that waited on the tables and the bar staff for keeping the glasses topped up till the early hours of the morning. Bill Neal provided the back ground music.

The Captain Jeff Turner was the evenings compere and presented the Oscars-

Longest serving member- April

Services to the Club- Carol & Robert Wright

Best Distractor (Interfering in other rinks)- Juan

Special effects (maintaining the rinks)- Steve Ward

Most Improved Bowler- Mick Devine

Catering excellence- Pauline Ward

MLBC President Robert Wright (pictured Top right)

Pat Baker surrounded by the majority of the Helpers and Organisers pictured below received an Oscar for their efforts.

Pauline won the lucky entry ticket draw- Self cook dinner for two in a bag.

Thanks to all the members who provided their services during the organisation, prior to and on the evening of the event and those that turned up early the next day to clear up the club house before the roll up.

This was definitely the most complex event held in recent years and while it did not contribute to the club funds it has certainly added to our friendly club reputation and it was reportedly one of the best nights held within the club house.
