

MIJAS JACK ATTACK OPEN INVITATIONAL 2021**at MIJAS LAWN BOWLS CLUB, (ENTRY FEE €24/team)**

Conditions of Play will be in accordance with Crystal Mark World Bowls Rules unless stipulated below. IAN PATTERSON/JOHN WILSON will be the controlling body for this Mijas LBC Invitation. These conditions of play will be displayed/available entrants at MLBC. This event will be operated in accordance with the COVID 19 rules of MLBC, based on the Protocols of the FAB and Federacion Andaluza De Bolos and Triples League Protocols. Temperature verification will be performed on arrival at the club and we will require players to complete the appropriate contact tracing document.

Arrive 10.00 for 10.30 start, 3 games to be completed by 16.00 hrs the same day.

1. **TEAM/DRAW FORMAT** Open Triples teams do not need to be from the club allocated the agreed date. Each visiting team will play 3 of the 4 Mijas LBC teams present on the day. Teams numbers will be drawn prior to the first game on that day and will establish rinks and opposition.

2. **MAT and JACK** Leads will toss for the mat on the first set and the opposing team will be given the mat for the start of the second set. The players will toss for the mat prior to the start of the tie break, if needed. The jack will be set at one of the 3 pre-determined positions and the mat will be set at any pre-determined location which provides at least 23m gap from the selected jack position. A burnt jack will be placed on the 2m T.

3. **GAME FORMAT** Individual games will be played over 2 sets of 5 ends with 3 bowls for each of the 2 players active on the rink. Every member of the team must play a minimum of 4 ends/game and the skip decides when the player exchanges occur and these changes should be conducted with minimum delay. All 5 ends of each set should be played to allow an incoming player to gain rink experience and provide a comparable shot difference if this is needed to determine the days winning team. No player should play more than 23 ends in a day unless they forfeit shots per 3.1.

Teams can decide the order of play of its team members.

2 points awarded for each set won and if necessary 1 point awarded for winning tie break.

3.1 Penalty for not playing 3rd Player Should a team fail or be unable to make the substitution described in 3 above they will be deducted 3 shots and will give their opposition 3 shots at the end of the second set.

If a tie break is then needed then the compliant team will be given the mat and the non compliant team skip will only be permitted to play 2 bowls.

(If both teams in a game default under this rule then there will be no penalty applied)

4. **POWER PLAY** Each team will have a Power-Play which can be employed on any end in either of the first two sets and it must be DISPLAYED on the scoreboard before the delivery of the first bowl on that end. Both teams may use the Power-Play on the same end.

The Power-Play will double any shots scored by that team on their own Power-Play.

5 VISITS TO THE HEAD The skip will only have one visit to the head per set and extra visits when a Power-Play is in effect by either team. Plus 1 additional visit during a tie break end should this be required. A skip may stay at the head if the opposition have the mat & this will not count as a visit, but they must walk to the mat as soon as the bowl comes to rest and should play their bowl within 30 seconds of leaving the head. Timing will only be implemented if games over run the schedule.

6 TRIAL ENDS Only on the very first match of the day the starting pairs will play a trial end in each direction. The rested player will be able to have a 2 practice ends on one of the vacant rinks prior to being introduced after the start of any game.

7. QUALIFYING OR WINNING TEAM The winner/qualifier will be based on Points and then in the event of a Points tie after completing the 3 games, shots difference over the first two sets will be the deciding factor. If is still a tie it will be the result of the final match played in points and then lastly by shot difference in that final game. A visiting team will progress from each of the qualifying dates and the best overall performing MLBC team.

In the event that the day or matches have to be cut short the winning team will be established based on the scores of previously completed games.

8. TEAM ATTIRE Players of individual teams should try to use the same colours above the waist and white below the waist and footwear requirements per Federation rules. These do not need to be club colours or white.

9 SUBSTITUTES Substitutes into the three person team will be permitted as long as that player has not played for any other team on that day and they may play in any position.

10. COVID COMPLIANCE Should a team be disqualified from a game for breach of mask and social distancing rules after receiving a formal warning from the Controlling body and the opposition team will be awarded the 4 points and 5 shot difference.

Smoking, Vaping and the consumption of alcohol will not be allowed on the rink. Smoking and Vaping will be restricted to a specified area as identified by MLBC and in accordance with the current COVID 19 rules. Rink 6 will not be used other than for the 2 end practice by an incoming player.

Drinks (including alcohol) and Food maybe consumed in all open areas subject to the COVID 19 being complied with.
