<p>A special thank you to all for taking part in this Challenge. Hopefully you enjoyed your matches.</p> <p>This challenge involved playing in two groups of triples (6 teams) where the jack lengths were pre determined. Each team played three matches. Jack positions alternated from long to short and a few medium lengths included in the mix. The mat and the jack positions were changing all through the match. The lead bowlers were challenged to deliver the jack to the correct place to test their accuracy. The jack was then placed to the pre determined position as recorded on the guidance card.</p> <p>The top performing and unbeaten team included Juan, Manolo, Nabil and David Prain. Squad A, B and C were the eventual winners by quite a large number of points. Well done!</p> <p>Ian Patterson (Competition Secretary).</p>
